

My Military Hero

My dad Michael is my hero because he fights for our country. He loves me and watches over me. My dad has to be very brave when he is at war. He has to be safe when he is gone so he can come home to be with us.

My dad plays with me on the Xbox 360. We are best buds. One day he took me to McDonald's. He lets me play with my friends.

My dad exercises to stay strong. I think he is a good Marine because he thinks hard.

He helps me with my Math and teaches me about God. He teaches me how to read. I am very proud of my dad.
