

# My Military Hero

**M**y mom is *my* military hero. And I know what you're thinking... why is she your military hero? Well I have the Perfect answer. My mom is my hero because she is doing what she can to help our country become a better place.

I'm proud of what she does but sometimes it isn't always so great. Like the time she had to go to Kuwait to help fight for our nation. Even though she helped the U.S it definitely wasn't fun for me. But she brings joy into the world not only by what she does but by who she is. My mom is a great mom and a great soldier. When she thinks something is wrong or doesn't seem fair she tries to stop it and she is a great leader which is something she tries to teach me, and everyone she meets to be. She is what she likes to call "Blessed and highly favored." She is not only my hero but my Dad's, Sister's, Brother's, Aunt's, and everybody's hero even though everybody might not know it.

So that's what I say to anybody who asks... who is my military hero and why?
